Assisted by
Ms Anila PREMTI, Acting Executive Officer

Having considered the aforementioned complaint, introduced pursuant to Section 1.2 of UNMIK Regulation No. 2006/12 of 23 March 2006 on the Establishment of the Human Rights Advisory Panel,

Having deliberated, including through electronic means, in accordance with Rule 13 § 2 of its Rules of Procedure, decides as follows:

I. PROCEEDINGS BEFORE THE PANEL

1. The complaint was introduced on 14 March 2010 and registered on 15 March 2010.

II. THE FACTS

2. The complainant is a Kosovo resident currently living in Serbia. He claims that he was attacked by unknown persons on 18 July 1999, and suffered serious physical injuries. He was picked up from the crime scene and was taken to Prishtinë/Priština hospital where he fought for his life for three days.
3. The complainant asks the Panel’s assistance in obtaining from UNMIK a police report from the crime scene, as well as the report from the Prishtinë/Priştina hospital about medical admittance and treatment he received during those three days. These would help him complete the necessary documentation that would enable him to claim his retirement/disability pension.

III. THE COMPLAINT

4. The complainant asks the Panel’s assistance in obtaining from UNMIK several documents. He does not invoke any human rights violations.

IV. THE LAW

5. Before considering the case on its merits the Panel has to decide whether to accept the case, taking into account the admissibility criteria set out in Sections 1, 2 and 3 of UNMIK Regulation No. 2006/12 on the Establishment of the Human Rights Advisory Panel.

6. According to Section 1.2 of UNMIK Regulation No. 2006/12, the Panel shall examine complaints from any person or group of individuals claiming to be the victim of a violation by UNMIK of the human rights, as set forth in one or more of the instruments listed in that section.

7. The complainant fails to allege any claim regarding any possible human rights violation suffered by him as a result of acts or omissions of UNMIK.

8. In the given circumstances the Panel considers that the complaint lies outside the Panel’s jurisdiction *ratione materiae*, and must therefore be declared inadmissible.

FOR THESE REASONS,

The Panel, unanimously,

DECLARES THE COMPLAINT INADMISSIBLE.
